CaSB Career Placement for Graduates from 2008-2020

Note: this list is based on voluntary data from recent alumni and is not meant to be an all-encompassing list of possible programs/companies that students may pursue.

Industry Positions/Employment

- Tech and Biotech—Accenture, Allergan, Amazon, AmGen, AT&T (formerly Bell Labs), Boeing, Broad Institute, CISCO, EEG Systems Lab, Genentech, Harvard Medical School (research), HST Pathways, IBM, Librascope, Northrop Grumman, Oracle, People Soft, Plutus, Planisware, Qualcomm, Sapient IT, Sun Microsystems, Symantec, Titan, Triage Consulting, Trilogy, UCLA (research), Vertex Pharmaceuticals, ZipCar

- Financial—Morgan Stanley, Merrill Lynch

Professional Schools

- Medical School—George Washington, Northwestern, NYU, Ohio State, Saint Louis, Stanford, Tulane, University of Arizona, UCLA, UCSD, University of Virginia

- Graduate School—
  Behavioral Neuroscience—UCLA
  Biochemistry and Chemistry—UCLA
  Bioengineering—Duke, Stanford, Duke, UC Berkeley, UC Irvine, UCLA, UCSD, USC
  Bioinformatics—USC, UCSD, UCLA
  Biological Imaging—UCLA
  Biology—Virginia Tech
  Biomathematics—UCLA
  Biomolecular Engineering and Bioinformatics—UC Santa Cruz
  Biomedical Engineering—Georgia Tech, University of Washington
  Biostatistics—UC Davis
  Computer Science—UCLA, UC Davis, MIT
  Cyber Operations—Air Force Institute of Technology
  Data Science—University of Washington
  Electrical Engineering—Stanford
  Mathematical Ecology—UC Davis
  Mathematics—UCLA
  Molecular and Cellular Biology—University of Chicago
  Neuroscience—UCSF
  Pharmacokinetics—UCSF
  Physics—Princeton
  Public Health—UC Berkeley
  Radiation Physics—University of Chicago
  Vision Science—UC Berkeley

- Business School—Wharton School (U Penn), University of Virginia, Santa Clara University

- Law School—Stanford, Loyola University, UC Berkeley

- Dental School—UCLA, UCSF

- Optometry—UCSF

- Graduate School of Education—UCLA
